On July 19th, 2011 at approximately 10:30 am, Abilene Police received a call of an unresponsive man lying in a field on Windmill Circle. The man was transported to Hendrick Medical Center to be treated. He was found to have indications of blunt force trauma to the head and bleeding in the brain. He was subsequently identified as Jimmy Robert Pardue Jr, a white male, 44 years of age. He is currently in the Intensive Care Unit at Hendrick Medical Center in extreme critical condition.

The investigation into this case has resulted in the issuance of an arrest warrant for Michael Heuermann, a white male, 34 years of age, for Aggravated Assault. He is not in custody at this time. The circumstances into how the victim received his injuries are still under investigation. We do know there was an altercation at a south side address. Anyone with information regarding this case should contact the Abilene Police immediately. The suspect's photo is attached.

Respectfully,

Sgt. Lynn Beard
