In 5-28-11 Breckenridge Police Department Chief Larry Mahan requested the assistance of the Abilene Police Tactical Unit. A Breckenridge man had fired several shots inside his home while his common-law wife was inside. She managed to escape the residence without injury but the 51 year old man barricaded himself inside his residence in a stand-off with Breckenridge Officers.

The Abilene Police Tactical Unit deployed to Breckenridge and after an hour of talking to the negotiators they persuaded the suspect to walk out of the house. Before he could be taken into custody he tried to re-enter his residence. Officers deployed a taser on the suspect to prevent his going back inside the house and gaining access to his weapons. He was taken into custody and will be charged with Felony Deadly Conduct.
